

Sergei Mishchenko

Freshman Composition English 11000

Professor Carol Wiggins

Date Due December 16

This page shows a progression of increased aptitude to understand my previous work. My supporting artifact shows a guideline of the necessity my previous essays prompted that would need to be further developed.

A learning goal for this phase was learning objective one. I believe during this phase, I better understood my overall attitude to my work. I needed to work on being more prompt and idealistic in assessing my previous attitudes to show greater potential in how my impact was beneficial overall,
